Sacred Valley, Cusco, Perú	Education Program: \$500 per child / month 850 per 2 children Accommodation: \$800 per family / month	All year around	Families	Ages from 3 to 16	Our educational program is holistic integrating nature, art, music, movement, hands-on science. Learning flows organically through play, creativity, and real-life exploration. We embrace multiple intelligences, emotional awareness, and mindfulness — creating an inclusive and loving environment for all children, including neurodivergent ones.		https://sacred-roots.lovable.app	Sacred Roots Worldschool Hub is located between Calca and Urubamba in the Sacred Valley, Cusco, Peru — a safe, peaceful region surrounded by mountains, rivers, and local communities. We maintain a close-knit, family-centered environment with small group activities, mindful guidance, and community connection. Families also enjoy guided nature walks, wellness sessions (yoga, sound healing, art, dance), and cultural experiences.	We're a new hub launching in November 2025, and we'll begin sharing family stories and reviews soon through our Instagram and website. Families joining this first season will be part of our founding community — shaping the experience together! ❤️

	Worldschooling Dude Ranch Experience	Worldschooling Journeys	September 6- 12, 2026	Wyoming, U.S.	\$3,300 per person	6 days	Families	6+ for horseback riding	This is an exclusive curated experience where our group will be the only ones at the ranch. The entire ranch is reserved for this special week. Visiting a dude ranch offers a unique and enriching experience for homeschoolers and world schoolers, combining outdoor adventure with hands-on learning. Kids can engage in activities like horseback riding, cattle driving, and learning about farm life, all of which foster practical skills, responsibility, and teamwork. Beyond the fun, a dude ranch provides an immersive setting for studying nature, animal care, and Western history, allowing children to connect classroom lessons with real-world applications. The rural setting also encourages physical activity, self-reliance, and a deeper appreciation for the environment. For homeschooling and world schooling families, it's an ideal opportunity to blend education with adventure, creating lasting memories while learning in a dynamic and engaging environment. 	☀️ Folkortaion ☀️	Coordination Rebecca Wegmann	Please contact us about dates 2025 & 2026	Mekong river, Thailand in Ubol Ratchat hani.		4 days, 3 nights	Whole family	3-60	A true cultural experience — live with locals and discover life off the beaten track! This trip is designed for a small group of adventurous families.	https://www.facebook.com/folkatonthailand	For more details please contact me and I will send you the brochure	This program offers a truly unique and immersive experience, centered around deep connection with the local community and everyday village life. You'll be welcomed by different villagers who will invite you to join them in their daily activities, giving you the opportunity to explore the area through the eyes of those who call it home. From river to mountain, you'll engage in a variety of experiences, including fishing, farming, cooking, and other traditional practices. One highlight is camping along the Mekong River with local fishermen, whose deep knowledge of the river and its ecosystem has been passed down through generations. Fishing is not just a livelihood here, it's a way of life, and you'll get to witness and be part of it firsthand. This is more than just a trip, it's a rare opportunity to experience an authentic and deeply rooted way of living, guided by those who know it best. An English–Thai-speaking guide is included, as understanding the language is essential to fully appreciate the small but meaningful moments throughout your stay.
